MEMORANDUM FOR: Chief, R&R/OIR

SUBJECT: Maps of USSR Labor Camps

REFERENCE: Case K-46/5 -- Memorandum dated 7 February 1957

25X1C8b

1. The [redacted] map is a more nearly correct representation of the forced labor situation as it currently stands than is the [redacted]. Although the [redacted] map appears to show a larger number of camps, it includes prisoner-of-war camps and camps which are no longer extant. The [redacted] map is more refined, reflecting a critical analysis of the available data on forced labor camps.

2. Available unclassified information would not warrant the preparation of another map since the [redacted] map includes some data that are at present available to us only in a classified form.
